

Detour Sign With Arrow Pointing Left

ECT284-T5-1LH

Description

Introducing the **Detour Sign with Arrow Pointing Left**, a versatile solution designed to streamline traffic control and safety. This sign is an invaluable addition to your arsenal of tools when managing traffic flow and ensuring the safety of drivers and pedestrians. Crafted with precision, the Detour Sign with a bold left-pointing arrow in black, accompanied by the attention-grabbing “DETOUR” text on a striking yellow background, is the perfect choice for effectively redirecting traffic in a variety of scenarios.

This Detour Sign is best suited for construction sites, roadworks, and any location where traffic needs to be redirected or temporarily rerouted. Its large dimensions of 1200x300mm make it highly visible and ensures that motorists can't miss the critical instructions it conveys.

Features

- Made from tough and durable Corflute.
- High visible yellow and black design.
- The sign will perform and last in Australian weather conditions.
