

Trolley Bay Single Surface Mounted

ER-TB-S-SM

Description

The Enforcer Rail Trolley Bay Surface Mounted - Single is a robust, surface-mounted solution designed to organise shopping trolleys in commercial and retail car parks. Engineered for durability and ease of use, this modular bay features a single-entry lane and is constructed with high-quality steel tubing for long-term performance in high-traffic environments.

Features

- Built with industrial-grade galvanised steel.
- Rounded edges and smooth rail finishes.
- Surface-mounted for fast installation.
- Available in Galvanised or Yellow Powder-Coated finish.
- Suitable for indoor and outdoor use.
- Low-maintenance and rust-resistant.

Specifications

SKU	ER-TB-S-SM
