

Keep Right Sign (450x600m, Aluminium)

ER2-3ARH

Description

Enforcer Keep Right 450x600mm Aluminium sign features a bold KEEP RIGHT text against a white background with black border and right pointing arrow. The distinctive shape is highly recognisable, ensuring traffic management and control. Suitable for use by construction companies, councils, businesses and for use in public venues that require safe flow of traffic. Adequate signage will improve workplace safety by ensuring traffic flow is predictable and organised.

The bold instruction ensures motorists will take caution follow the directive to keep to the right avoiding confusion and potential accidents.
