

Speed Limit 10KM Sign 450X600

ER4-1AH10

Description

Enforcer Speed Limit 10km Sign 450x600 ensures the low speed limit is clear on your road. The bold 10 on white background circled in red ensures both drivers and pedestrians can recognise the speed limit. This can ensure drivers travel at a slow and safe speed around high foot traffic areas or work zones. Suitable for a range of industries like construction, government, schools and business.

Features

- Made from durable aluminium, the sign can withstand Australian weather conditions.
- The sign ensures speed is communicated to prevent accidents and confusion, protecting motorists, cyclists and pedestrians alike.
- Suitable for a range of industries like construction, government, schools and business.
