

Speed Limit 5KM Sign 450x600

ER4-1AH5

Description

Enforcer Speed Limit 5km Sign 450x600 ensures the correct speed limit is conveyed to motorists. The bold 5 on white background circled in red is easily identified ensuring all drivers adhere to the correct road speed. This can ensure drivers travel at a safe slow speed suitable for areas shared with pedestrians. This sign is constructed from durable aluminium making it fit for a range of industries like construction, government, schools and business.

Features

- Made from durable aluminium, the sign can withstand Australian weather conditions.
- The sign ensures speed is communicated to prevent accidents and confusion, protecting motorists, cyclists and pedestrians alike.
- This sign is constructed from durable aluminium making it fit for a range of industries like construction, government, schools and business.
