EXPANDABLE SAFETY BARRIER - LIGHTWEIGHT PLASTIC

- Expandable up to 2600mm
- Safety yellow and black finish
- Lightweight and easy to relocate

The Expandable Safety Barrier by Enforcer Group is a lightweight, durable barrier designed for crowd control and queue management.

It's made of plastic, easy to transport and set up, expandable to fit specific space and can be connected to other units.

It's suitable for large events or construction sites, stable, secure, and can be easily collapsed for storage when not in use.

Strong & Durable

Australian Standards Approved
