

Expandable Portable Mobile Safety Barrier

ESB-PM

Description

Enforcer Expandable Portable Mobile Safety Barrier can expand to an impressive 3.7m long and flexibly positioned to suit a variety of configurations to suit your needs. It is used to create safe boundaries and section off hazards indoors and outdoors. Perfect for worksites, warehouses, factories and even shopping centres.

Manufactured from durable plastic in an eye-catching safety yellow colour, our barriers are designed to improve safety. The design maximises stability so you know your barrier will last and perform.

Features

- Expandable up to 3.7 meters.
- Safety yellow finish.
- Comes with wheels for easy relocation.
- Lightweight and easy to relocate.
