## ROAD PARKING LANE DIVIDERS

- Recycled rubber with a high visibility yellow finish and three reflective panels on each side
- Parking Safety
- Multiple mounting options
- Light weight easy to install by one person
- Strong and durable for indoor and outdoor use

Enforcer Road Parking Lane Dividers are suitable for slowing down the speed of vehicles, delineating parking or no-go areas and to help guide drivers. Alternatively it can be wall mounted for use as a docking or car park buffer.

Molded from recycled rubber with a high visibility yellow finish and has three reflective panels on each side, the dividers can easily be mounted into concrete or asphalt.

Suitable for all types of car parks.

Strong & Durable
