

Pedestrian Bicycle Handrail Yellow with Sleeve 1500mm

PHR-IGS-Y1500

Description

The Enforcer Pedestrian & Bicycle Handrail (Yellow, 1500mm with Sleeve) provides outstanding safety, visibility, and protection for pedestrians and cyclists in high-risk areas. Manufactured from high-quality galvanised steel and finished with a durable, vibrant powder-coated yellow surface, this handrail delivers superior corrosion resistance and exceptional durability, perfectly suited to tough Australian conditions. Featuring reflective red and white safety tape, it ensures maximum visibility, significantly reducing potential hazards during both day and night. Complete with a secure, galvanised in-ground sleeve, it guarantees stable installation, providing dependable protection across commercial, industrial, or public environments.

Features

- Made from galvanised steel with a powder-coated yellow finish.
- Reflective red and white safety tape ensures exceptional visibility.
- Secure in-ground installation with galvanised sleeve (450mm length).
