

Pedestrian Bicycle Handrail Yellow with Sleeve 600mm

PHR-IGS-Y600

Description

The Enforcer Pedestrian & Bicycle Handrail (Yellow, 600mm with Sleeve) delivers essential protection and clear guidance for pedestrians and cyclists in busy or hazardous environments. Expertly manufactured from galvanised steel with a vibrant powder-coated yellow finish, this handrail offers superior durability and high visibility. Featuring reflective red and white safety tape, it provides added visibility in low-light conditions, greatly enhancing user safety. Designed for robust in-ground installation, it includes a galvanised sleeve, ensuring stable and secure mounting suitable for commercial, industrial, or public spaces.

Features

- Made from heavy-duty galvanised steel with a powder-coated yellow finish.
- High visible bright safety yellow with reflective red and white tape.
- Secure In-Ground Installation.
- Provides clear separation and protective guidance for pedestrians and cyclists.
