

Pedestrian Bicycle Handrail Yellow with Sleeve 900mm

PHR-IGS-Y900

Description

The Enforcer Pedestrian & Bicycle Handrail (Yellow, 900mm with Sleeve) provides dependable safety and clear separation for pedestrians and cyclists in high-traffic areas. Built from robust galvanised steel with a bright yellow powder-coated finish, this handrail ensures outstanding durability and corrosion resistance, perfect for Australian conditions. Equipped with reflective red and white safety tape, it offers superior visibility day and night, significantly improving safety standards. Its secure in-ground installation, complete with a sturdy galvanised sleeve, guarantees long-term stability and reliable protection in industrial, commercial, and public settings.

Features

- Made from heavy-duty galvanised steel with a powder-coated yellow finish.
- High visible bright safety yellow with reflective red and white tape.
- Secure In-Ground Installation.
- Provides clear separation and protective guidance for pedestrians and cyclists.
