

Portable Trolley & Pedestrian Kerb Ramp - Yellow

PKR-Y

Description

Enforcer Portable Trolley & Pedestrian Kerb Ramp Yellow is a simple solution for those needing to create efficient access over uneven surfaces like steps or kerbs. The ramp is perfect for trolleys to gain access without risking knocking over their load or causing strain to the operator.

Made from strong polyethylene, the portable kerb ramp can be quickly installed when needed making it suitable to be stored in vans or trucks for efficient use. It features a textured surface to enhance traction in wet weather.

Features

- Made from a yellow plastic Polyethylene (PE).
- The ramp is compact, can easily be moved and stored.
- Two side handles for easy handling.
- Provided with cross pattern design for anti-slip.
