

A4 Plastic Sign Frame Portrait (Fits Retractable Belt Barrier)

RB-P-A4Frame

Description

Enforcer Retractable Belt Barrier A4 Plastic Sign Frame Portrait Red is an essential tool for communicating urgent instructions and warnings and this fits Enforcer retractable belt barriers. The frame holds A4 signs perfectly for ease of use and convenience.

The clear display allows for signage on both sides to maximise safety and raise awareness of hazards and important information.

Features

- Simply attach to the retractable belt barrier.
- Frame holds A4 signs perfectly for ease of use and convenience.
- Clear display allows for signage on both sides to maximise safety and raise awareness of hazards and important information.
