

Retractable Belt Barrier Bollard - Black Post, Black Belt 2-Post Set

RB-PB-B-2PC

Description

The Enforcer Retractable Belt Barrier Bollard Set (Black Post, Black Belt) is a stylish, discreet, and professional pedestrian management solution, ideal for crowd control, restricted access areas, and queue organisation. Featuring two high-quality black powder-coated bollards, each fitted with a durable black retractable belt, this set provides a sleek yet effective barrier system for commercial, industrial, and event settings.

The heavy-duty construction ensures long-term stability and durability, while the retractable belt system allows for fast setup, easy reconfiguration, and quick storage. Whether you need to manage customer queues, mark off restricted zones, or direct foot traffic, this premium retractable belt barrier system is the perfect choice.

Features

- Powder coated steel with matt black finish.
- High quality 2 metre black nylon belt.
- Durable self locking clips.
- Suited for crowd management.
