

# Retractable Belt Barrier Bollard - Black Post, Red Belt 2-Post Set

## RB-PB-R-2PC

### Description

The Enforcer Retractable Belt Barrier Bollard Set (Black Post, Red Belt) is a sleek, professional, and highly effective pedestrian control solution, perfect for queue management, restricted access areas, and public safety enforcement. This set includes two durable black powder-coated bollards, each featuring a high-visibility red retractable belt, ensuring clear visual guidance for pedestrian traffic.

Engineered for stability, durability, and ease of use, these bollards provide a modern and unobtrusive appearance, making them ideal for corporate spaces, retail stores, event venues, transport hubs, and industrial facilities. Whether you're managing entry points, guiding foot traffic, or marking off restricted zones, this versatile retractable belt barrier system delivers efficiency, style, and long-term reliability.

### Features

- Powder coated steel with matt black finish.
- High quality 2 metre red nylon belt.
- Durable self locking clips.
- Suited for crowd management.
