

# Stainless Steel A3 Sign Frame Portrait fits Retractable Belt Barrier Bollard

RB-SS-A3Frame

## Description

For attaching to Enforcer retractable belt barrier yellow and red, our Stainless Steel A3 Sign Frame Portrait is an essential tool for communicating urgent instructions and warnings. The frame holds A3 signs perfectly for ease of use and convenience.

The stainless-steel construction is durable and suitable for outdoor use in any weather. It effectively displays signage to maximise safety and raise awareness of hazards and important information. Our A3 frame features a clear front and strong backboard to ensure long lasting performance.
