

Retractable Belt Barrier Bollard - Yellow Post, Black/Yellow Belt

2-Post Set

RB-Y-BY-2PC

Description

The Enforcer Retractable Belt Barrier Bollard Set (Yellow Post, Black/Yellow Belt) provides an effective, flexible, and highly visible solution for managing pedestrian flow and restricting access to hazardous or restricted areas. This complete two-post set features robust yellow bollards fitted with durable retractable belts in contrasting black and yellow stripes for maximum visibility and safety awareness. Ideal for warehouses, retail environments, construction sites, airports, event venues, and public facilities, the bollards are designed for rapid deployment and easy repositioning.

Constructed for indoor and outdoor use, the posts are sturdy and stable, ensuring reliable performance in high-traffic environments. Enhance your workplace safety and improve pedestrian management quickly and effectively with Enforcers retractable belt barriers.

Features

- High visible yellow post.
- 3 Metre red/white retractable belt.
- Rotation lock design.
- Suited to use for crowd management.
- Easy to install.
