

# PRODUCT SPECS

Product Code: RFB-BL

Length: Middle: 1000mm  
End: 300mm

Width: 200mm

Height: 40mm

Weight: Middle: 6kg End: 3.5Kg

Fixings: 14mm Hilti plug with a 100mm coach Screw and 12mm Washer.

Finish: Black & High visibility yellow

## RUBBER FLOOR BUNDING - BLACK & SAFETY YELLOW

- Made of recycled rubber
- Preventing spills or cross-contamination
- Easy to install with adhesive bonding or mechanical fastening
- Can be used in both commercial and domestic settings

Enforcer Group's Rubber Floor Bunding in Black and Safety Yellow effectively manages areas, preventing spills or cross-contamination.

Designed to resist degradation from oils, chemicals, and other industrial fluids, our bunding ensures long-term performance and reliability in diverse operating environments. Featuring user-friendly installation options, including adhesive bonding or mechanical fastening, our bunding facilitates quick and efficient deployment, minimizing downtime.

Its versatile design includes middle sections for seamless continuity and corner ends for sharp 90-degree turns, making it ideal for various industrial settings like factories, car wash bays, drum storage areas, wash zones, and petrol stations. Safeguard your business and the environment from spill-related mishaps with this heavy duty rubber bunding.
