

Enforcer Floor Guide Rail -1200 long

RG-FGR

Description

Enforcer Floor Guide Rail 1200 provides a tough physical guide to protect racks, machinery, offices, walls, shelving and other areas from impacts and scrapes from trolleys, forklifts or other warehouse vehicles.

Crafted from steel, our floor guides absorb impacts and scrapes from machinery and help to guide traffic which can avoid costly damage. Made in a bright safety yellow powder coated colour, the rails enhance visibility and awareness of safe boundaries around assets.

Features

- Powder coated yellow finish provides excellent visibility.
- Protects against collisions, impacts.
- Lightweight enough for one person to install.
- Made in a bright safety yellow powder coated colour.
