

# Velvet Barrier Rope - Red Or Black 1500mm Long

## RP-Rope-Velvet

### Description

Stylish and durable, Enforcer black or red velvet ropes are used to attach to bollards to manage and control queues, entranceways and crowds. The rope features silver hooks to efficiently attach to our rope barrier bollards. Perfect for events, retail settings and hotels where a refined barrier is needed. These ropes looks luxurious and eye-catching, increasing awareness of boundaries.

### Features
