

Speed Hump Cable Protector - One (1) Channel Black

SH-CP1C-B

Description

Enforcer Speed Hump Cable Protector One Channel Black safely covers cables to ensure the safety of pedestrians and vehicles. It reduces the trip and accident risk from loose cables.

Constructed from new and recycled rubber, it is strong enough for use indoors and outdoors. The safety yellow reflective strip also helps to increase safety by drawing attention to the speed hump and ensuring visibility in low light conditions.

Features

- Manufactured from new and recycled rubber.
- Designed to be strong and durable with low noises.
- Great for indoor or outdoor use.
- Easy placement and removable of cables/hose lines.
