## SPEED HUMP CABLE PROTECTOR 2 CHANNEL - BLACK AND ORANGE - HEAVY DUTY

- Manufactured from new and recycled rubber
- Designed to be strong and durable with low noises
- Great for indoor or outdoor use
- Easy placement and removal of cables/hose lines
- Safety high-visibility yellow reflectors

Enforcer Cable Protectors are environmentally friendly manufactured from new and recycled rubber. Cable protectors are made to protect cables or leads and eliminate the risk of trips and falls from loose cabling.

Designed to be strong and durable they don't crack or shrink. The sections interlock and multiple units can be connected for the required length. Recommended for temporary or permanent applications, for vehicles and pedestrian traffic.

Suited for both indoor and outdoor use, for offices, worksites, warehouses, garages, exhibitions, etc.

Strong &  
Durable

Easy  
Installation
