

# Speed Hump Cable Protector 2 Channel - Black & Orange

## SH-CP2C-BO

### Description

Enforcer Speed Hump Cable Protector 2 Channel Black and Orange Heavy Duty safely stores loose cables and eliminates trip and fall hazards due to loose cabling. Made from new and recycled rubber, the speed hump safely stores cables in two channels. Suitable for use in carpark, warehouses and worksites, this speed hump is suitable for temporary or permanent usage.

Constructed to be durable enough for use indoors and outdoors, these cable protectors can be lined up to suit your required length. The safety yellow reflective strip also helps to increase safety by drawing attention to the speed hump and increasing visibility in low light.

### Features

- Manufactured from new and recycled rubber.
- Designed to be strong and durable with low noises.
- Great for indoor or outdoor use.
- Easy placement and removable of cables/hose lines.
