

Speed Hump Cable Protector 2 Channel - Big

SH-CP2CB

Description

Enforcer Speed Hump Cable Protector 2 Channel Big is a versatile speed hump used to solve the problem of loose cabling. It is suitable for temporary use to store cables and can be passed over safely by pedestrians and light duty vehicle traffic.

Constructed to be durable enough for use indoors and outdoors, these cable protectors can be lined up to suit your required length. The safety yellow colour also helps to increase safety by drawing attention to the speed hump and increasing visibility in low light.

Features

- Manufactured from new and recycled rubber.
- Designed to be strong and durable with low noises.
- Great for indoor or outdoor use.
- Easy placement and removable of cables/hose lines with open-top style.
