

Galvanised Sign Post 60mm O/D 3.6 Metre Long

SP-3.6-Gal-Pole

Description

When you need a tall signpost, Enforcer Galvanised Sign Post 60mm O/D 3.6 Metre Long is made from durable galvanised steel for outdoor performance. The versatile signpost can be used to mount traffic and road signs as well as our convex mirrors. The signpost is also available in a range of different lengths to suit your unique requirements.

Made to perform in any weather, the heavy-duty signpost is durable and robust. It is made from galvanised steel to withstand corrosion, rust and weather damage, making it perfect for permanent outdoor installation.
