

# Pedestrian Crossing Sign, 600mm x 600mm, W6-1A

## SP-Pedestrian

### Description

Enforcer Pedestrian Crossing Sign 600mm x 600mm W6 1A is crucial in maintaining traffic order and safety. The bold and unmistakable pedestrian symbol on reflective safety yellow background ensures both drivers and pedestrians can recognise safe pedestrian crossings. This ensures orderly routes for pedestrians to follow as well as signals to drivers to give way to pedestrians. This can ensure drivers travel at a slow and safe speed around high foot traffic areas.

Made from durable aluminium, the sign can withstand Australian weather conditions. The pedestrian sign provides direction for pedestrians as well as vehicles ensuring both adhere to prevent accidents and confusion, protecting motorists, cyclists and pedestrians alike.
