

Sign Parking Disabled Only R5-31 225x450mm

SP-R5-31

Description

The R5-31 Disabled Parking Only Sign (225x450 mm) is a regulatory traffic sign designed to reserve parking spaces exclusively for vehicles displaying an authorised disabled parking permit. Ideal for car parks, retail centres, factories, warehouses, and public or private facilities, this sign ensures compliance with Australian Traffic Standards and assists in managing access for those with mobility needs.

Features

- Heavy-duty aluminium construction for durability and weather resistance.
- Reflective finish for enhanced day and night visibility.
- High-contrast disabled parking symbol and clear lettering.
- Predrilled mounting holes for straightforward installation.
- UV-resistant face designed to minimise fading.
