

Stop Sign (600mm x 600mm)

SP-Stop-Sign

Description

Enforcer Stop Sign 600 x 600mm is crucial in maintaining traffic order and safety. The bold and unmistakable white STOP text on bright red background clearly communicates that oncoming motorists must stop and observe before passage. This can work to reduce traffic jams and accidents. The highly recognisable shape and design will alert motorists to stop and wait for others to pass before driving. Suitable for construction sites, roadworks, carparks and roads and laneways.

The bold and unmistakable white STOP text on bright red background clearly communicates that oncoming motorists must stop and observe before passage. This prevents accidents and confusion, protecting motorists, cyclists and pedestrians.
