

Cone Bar Extendable Black/Yellow

TC-CB-BY

Description

The Enforcer Cone Bar Extendable Black/Yellow is a lightweight, durable traffic control solution designed to connect safety cones and bollards to create temporary barriers, cordon off work zones or guide pedestrians safely on site. Ideal for tradies, safety officers, business owners and traffic management professionals, this versatile bar extends quickly between cones to suit varying spacing requirements for everyday safety and site control.

Features

- Made from ABS plastic for long-lasting performance in both indoor and outdoor environments.
- Black and yellow bands provide high contrast that enhances visual awareness.
- Telescopic design extends smoothly from 1300 to 2000mm.
- Designed to fit most standard traffic cones and T-top bollards with simple loop ends for secure attachment.
