

Traffic Cone 900mm

TC900

Description

The Enforcer 900mm Traffic Cone provides reliable, highly visible traffic control essential for safely managing pedestrians and vehicles. Crafted from durable, high-quality PVC, this cone delivers excellent resilience, flexibility, and weather resistance, making it ideal for indoor or outdoor use in Australian conditions. Its substantial size and vibrant orange colour ensure clear visibility, improving safety by effectively alerting drivers, pedestrians, and workers of potential hazards. With a stable, weighted base, the cone remains firmly in place, reducing movement in windy conditions, ensuring optimal safety at worksites, roadways, car parks, and public spaces.

Features

- High visible bright orange colour.
- Manufactured from tough, weather-resistant PVC.
- Stable, Weighted Base.
- Easy to Handle & Transport.
