

Threshold Door Access Ramp - 1070 x 60mm High

TDR-1070x60

Description

Enforcer Threshold Door Access Ramp 1070mm x 60mm is built from super durable 100% recycled rubber for high traffic locations. It can be used to create a smooth transition between doorways and floors. The access ramp is suitable to enhance the safety and comfort of wheelchair users, pedestrians and workers. It is suitable for commercial use and for the home to reduce the risk of trips and falls.

The ramp is the perfect size to suit most doorways and provide a smooth transition to the floor. The unique patterned rubber ensures secure footing even in wet or slippery environments. The recycled rubber is strong and hardwearing, ensuring your ramp is built to perform and last in Australian weather conditions.

Features

- Built to withstand heavy daily use.
- Unique pattern to prevent slips.
- Easy to maintain.
- Can be used in both commercial and domestic settings.
