

Threshold Door Access Ramp - 1100 x 40mm High

TDR-1100x40

Description

Enforcer Threshold Door Access Ramp 1100 x 40mm High fits most doors to improve accessibility. The angled ramp is perfect for those needing a gradual incline to ensure safety when crossing the entranceway. It can be used by businesses or in residential homes to support those in wheelchairs, scooters or people with mobility issues.

Crafted from strong recyclable rubber, access ramp is hardwearing and made for frequent use. The surface features a patterned design that ensures grip and traction even in wet weather, making it suitable for both indoor and outdoor use. The ramp can be used to provide a gradual incline for surfaces.

Features

- Made from strong recycled rubber.
- Built to withstand heavy daily use.
- Unique pattern to prevent slips.
- Easy to maintain.
- Can be used in both commercial and domestic settings.
