

Threshold Door Access Ramp - 900 x 90mm High

TDR-900x90

Description

Enforcer Threshold Door Access Ramp 900 x 90mm High fits most doors to improve accessibility for those with mobility challenges. The access ramp provides a gradual incline to doorways to ensure safe crossing. It can be used by hospitals, aged care facilities, offices or in residential homes to support those in wheelchairs, scooters or people with mobility issues.

Made from strong recyclable rubber, access ramp is hardwearing and made for frequent use. The surface features a patterned design that ensures grip and traction even in wet weather, making it suitable for both indoor and outdoor use. The ramp can be used to provide a gradual incline for surfaces.

Features

- Made from strong recycled rubber.
- Built to withstand heavy daily use.
- Unique pattern to prevent slips.
- Easy to maintain.
- Can be used in both commercial and domestic settings.
