

Tactile Indicators Fibreglass Directional White 300mm x 600mm

TI-30X60-DW-N

Description

The Enforcer Fibreglass Directional Tactile Indicator (300mm x 600mm, White) is an AS/NZS-compliant. Its high-contrast bright white finish ensures excellent visibility on dark and coloured surfaces, making it perfect for public pathways, train stations, shopping centres, and urban spaces. Constructed from reinforced fibreglass with UV stability, this durable, slip-resistant, and wear-resistant tactile tile is built for high-traffic pedestrian areas, offering long-lasting performance and full compliance with accessibility standards.

Features

- Compliance to AS1428.1-2009.
- P5 Slip Resistance Rating.
- Durable Fibreglass Reinforced Construction.
- Lightweight pre-moulded construction and beveled edges.
