

Tactile Indicators Fibreglass Hazard White 300mm x 600mm

TI-30X60-HW-N

Description

The Enforcer Fibreglass Hazard Tactile Indicator (300mm x 600mm, White) is a high-visibility, durable solution designed to enhance pedestrian safety in public spaces. With a bright white colour for optimal contrast, it meets AS/NZS-compliant. Built for high-traffic environments, this UV-stabilised fibreglass tactile tile is P5 slip-rated, ensuring maximum grip in wet and dry conditions. The lightweight, pre-moulded design with beveled edges allows for quick installation using adhesive or mechanical fixings, making it ideal for commercial, government, and public infrastructure projects.

Features

- Compliance to AS1428.1-2009.
- P5 Slip Resistance Rating.
- Durable Fibreglass Reinforced Construction.
- Lightweight pre-moulded construction and beveled edges.
