

Tactile Indicators Fibreglass Hazard 300mm x 600mm

TI-30x60-H-N

Description

The Enforcer Fibreglass Hazard Tactile Indicator (300mm x 600mm) is a high-visibility, durable, and compliant solution for hazard warning applications, ensuring safe pedestrian navigation in public spaces. The bright colour provides clear contrast against darker surfaces, supporting compliance with AS/NZS 1428.4.1 accessibility standards for hazard identification.

Features

- Compliance to AS1428.1-2009.
- High-visibility finish for clear hazard identification.
- P5 slip-rated surface for enhanced traction.
- UV-stabilised fibreglass construction for durability.
- Suitable for adhesive or mechanical fixing.

Specifications
