

T-Top 9M Retractable Tape Barrier - Red/White

TTB-RW

Description

Enforcer T-Top 9M Retractable Tape Barrier Red/White is a versatile crowd control tool. It mounts securely on our T-Top Bollards and can be deployed for fast management of queues and crowds. Perfect for use by construction companies, event venues and other businesses to manage pedestrian traffic and entrances.

The retractable tape is made from durable nylon and can withstand heavy use. The red and white striped design is easily visible and the automatic retractable design makes the device efficient to adjust as needed.

Features

- 9 metre length Red/White stripes tape.
- Automatic retractable.
- Lightweight and can be fixed on t-top bollard.
