

U-Bar Bollard - 90mm x 2 Meter Surface Mounted - Black

UB90-SM-B-2M

Description

The U-Bar Bollard - 90mm x 2 Meter Surface Mounted -Black is a sturdy and effective way to protect your property. This bollard is made of Galvanised steel, making it resistant to rust and corrosion, and powder-coated black. It is designed to be surface-mounted, providing a physical barrier to protect buildings, vehicles, and pedestrians from potential collisions.

The U-shaped design of the bollard adds an extra layer of strength and stability, making it a reliable and durable solution.

Features

- Made of Galvanised steel.
- Finished in Powder-coated black.
- Providing a physical barrier to protect buildings, vehicles, and pedestrians from potential collisions.
