

U-Bar Bollard - 90mm Surface Mounted - Galvanised

UB90-SM-G

Description

Enforcers U-Bar Bollard 90mm Surface Mounted Galvanised has a modular design that mixes high-end looks with strength and versatility. Simply secure each base plate via the mounting holes and enjoy your bollard.

The one-piece design doesnt just mean faster assembly, the bollard is also extra strong. The welded base plates ensure a secure finish once fitted to your concrete or asphalt surface. The galvanised steel finish is highly durable

Features

- Made of fully recyclable galvanised steel pipe.
- It is suitable for both indoor and outdoor use.
- U-shaped design and welded base plates increases the strength and durability of the bollard.
