

VisioEdge Stair Nosing with FRP Yellow Insert - 10mm X 75mm

3200mm
VE-SE200-3.2-FY

Description

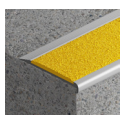

The VisioEdge Stair Nosing with FRP Yellow Insert is designed to improve stair safety and visibility in high-traffic public, commercial, and industrial spaces. Featuring a bright yellow fibreglass reinforced plastic (FRP) insert, it provides excellent slip resistance and ensures compliance with Australian safety standards. Tradespeople, safety officers, and project managers rely on this durable solution to minimise accidents and enhance accessibility.
