

Wheel Chock Rubber Large - Black

WCR-BL

Description

The Enforcer Wheel Chock Rubber Large Black is expertly designed for safety and ease of use, making it a reliable choice for both mechanics and vehicle owners. Constructed from durable rubber, these chocks ensure vehicles remain securely parked, increasing safety in various environments. The chocks are engineered to grip multiple surface types, providing dependable stability when performing maintenance or repairs under vehicles.

Despite their large size, these wheel chocks are compact enough for easy storage and light enough for effortless handling. Their portability ensures they can be quickly deployed when needed, providing secure vehicle immobilisation.

Features

- Made of recycled rubber.
- Easy to store and transport.
- Lightweight design.
