

Wall Mount Retractable Barrier - Black/Yellow

WMB-BL

Description

Enforcers Wall Mount Retractable Barrier - Black/Yellow is a lightweight and effective solution to controlling entry and access. It can be used to control queues, to manage crowds and to restrict entrances. The long belt length of 9m allows it to be used in warehouses and facilities as well as in retail spaces.

Made from durable recycled plastic and a strong belt, it is designed for heavy use. The alternating yellow and black strap is easily visible and raises awareness.

Features

- Yellow/Black 9 metre belt and locking ends.
- Made of recycled plastic.
- Easy to fix in wall.
