

Wall Mount Retractable Barrier - Red/White

WMB-RW

Description

Enforcers Wall Mount Retractable Barrier Red/White is a lightweight and effective solution to controlling entry and access. It can be used to control queues, to manage crowds and to restrict entrances. The 9m belt allows it to be used in warehouses and facilities as well as in retail spaces.

Features

- Made from durable recycled plastic and a strong belt, it is designed for heavy use.
- Yellow and black strap is easily visible and raises awareness.
- The barrier is lightweight and easy to install.
