

Poly Wheel Stops Blue Disabled

WS-Poly-Blue

Description

The Enforcer Poly Wheel Stop Blue Disabled is a practical solution designed specifically for designated accessible parking spaces. Made from highly durable, ultra-tough linear low-density polyethylene (LLDPE), the Enforcer Poly Wheel Stop is built to endure daily wear and tear. The Poly Wheel Stop is designed to be a low-maintenance solution, offering long-term reliability without frequent replacement.

Features

- Manufactured from ultra tough linear low-density polyethylene(LLDPE).
- Ideal for marking parking spaces for persons with disabilities.
- Australian Standards Approved.
- Lightweight and easy to handle.
