

Poly Wheel Stops Grey

WS-Poly-Grey

Description

The Enforcer Poly Wheel Stop Grey is a versatile solution designed for effective parking management in various environments. Manufactured from ultra-tough Linear Low Density Polyethylene(LLDPE). Lightweight and easy to handle, this wheel stop is straightforward to install on concrete or asphalt surfaces. The Grey colour offers a neutral option that blends well in various settings while clearly marking parking spaces.

Features

- Manufactured from ultra tough linear low-density polyethylene(LLDPE).
- Australian Standards Approved.
- Lightweight and easy to handle.
