

Poly Wheel Stops Yellow

WS-Poly-Yellow

Description

The Enforcer Poly Wheel Stop Yellow is a versatile solution designed for effective parking management in various environments. Manufactured from ultra-tough Linear Low Density Polyethylene(LLDPE). Lightweight and easy to handle, this wheel stop is straightforward to install on concrete or asphalt surfaces. The bright Yellow colour offers high visibility, making it an excellent choice for marking parking spaces and guiding drivers in various environments.

Features

- Manufactured from ultra tough linear low-density polyethylene(LLDPE).
- Bright Yellow colour offers high visibility.
- Australian Standards Approved.
- Lightweight and easy to handle.
